We're over the hump. Cancellations have been recovered and sales quotas are now the objective.

Congratulations to District Director Gordon Markel, Agents and Fieldmen in the Southwest District for being the first to reach their sales quota.

Also congratulations to the Northwest District on moving into the plus net acreage column.

New plus net acreage counties are: Barnes, Grand Forks, McHenry, Nelson, Oliver, Ramsey, Richland, Rolette, Steele, Traill and Ward.

Hettinger, Barnes, and Cass lead in net acreage sold this week. Richland, Cass, Barnes and Grand Forks were leaders in crop sales.

Joe Stoltz led all fieldmen in premium and net acreage for the week.

1965 Edition No. 15

April 15, 1965

As you well realize, the closing date for sales is almost here. Now is the time to clear up your last-minute sales business and make any necessary corrections for your final reports to the state office. Please send in all applications and 812 A's as soon as possible.

McLean, LaMoure, and Williams lead in net acreage sold this week. Grand Forks, Richland, and LaMoure lead in crop sales for this week.

The State Office welcomes their new clerk-typist, Carmen McQuay from Wahpeton Science School. We hope to see her smiling face here for many years. She is replacing Judy Olson whose wedding bells rang on March 13 as she changed her name to Mrs. Gary Anderson and is now living in Wheaton, Minnesota.

Burleigh County Agent, Emil Hilken, has just been released from the hospital. It's good to see him up and around again as we missed his visits to the State Office.

Sales - Our congratulations for a job well done. When all the acres sold are tabulated, we will have met the State goal or even exceeded it slightly. However, our final increase may be below the goal because we don't know yet what will be lost in terminations for indebtedness.

Sales Reports - Your report for the week ending April 30 will be your final report unless errors are found in any of the data, in which case, please submit a corrected report.

Applications and 812A's - Please check your files to be sure that all applications and 812A's have been transmitted. Please clear up any suspended cases immediately.

Terminations for Indebtedness - Please check the listings sent to you and advise us of any corrections by May 5.

Acreage Reports - Order worksheets and forms as needed. Study the new procedures in effect for 1965 and your notes from the Procedure Meeting held in February.
